Your Nessel Township Board of Supervisors' thank you in advance for taking advantage of this opportunity to clean up your garage, sheds and yards. They have arranged this special Clean-Up Day in hopes that it will help keep our ditched free of debris, which in the long run saves all of us tax dollars. Nessel township has the right to refuse any items and WILL NOT accept any Commercial/Business items. Please have correct change as needed, which helps speed up the process of disposing of your items.
